## Goldsmith (Sunar)

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Steel scale		Digital Vernier Caliper		950	-More accurate dimensions as per customer needs -Less human measurement errors
Tweezer		Jeweller's Needle file set		150	-Better finish and metal carving -Improves quality of workmanship
Acetylene Flame Torch		Butane Gas Micro Torch with refilling cylinder		890	-Less bulky than Acetylene Flame Torch -Portable -Low maintenance -Cost effective

Done Manually		Grooving / Forming Block		800	<ul style="list-style-type: none"> <li>-Helps making new shape &amp; forms for different designs</li> <li>-Improves productivity with consistent quality</li> </ul>
Done Manually		Doming Block & Punches		600	<ul style="list-style-type: none"> <li>-Helps in making new shape &amp; forms for different designs</li> <li>-Improves productivity with consistent quality</li> </ul>
Mechanical Balance		Portable Digital weighing balance		750	<ul style="list-style-type: none"> <li>-Improves measurement accuracy</li> <li>-Helps to ensure correct weight of jewellery demanded as per customer needs</li> </ul>
Manual files/ Half round file		Micromotor with finishing accessories like silicon rubber wheels, cloth buff		5,500	<ul style="list-style-type: none"> <li>-Portable</li> <li>-Fine/ accurate speed control</li> <li>-Low maintenance / less breakdowns</li> <li>-Improves workmanship quality of surface finish with consistency</li> </ul>
Collected manually		Portable Dust Collector		2,800	<ul style="list-style-type: none"> <li>- Improves processed gold dust collection</li> <li>- Reduces gold loss</li> <li>- Reduces breathing related health hazard</li> </ul>

No protectiv e gear being used		Protectiv e Goggle & face Mask		30	-Reduces health hazards
<b>Total</b>				<b>12,470</b>	

**Section B: The following items may be provided to Vishwakarmas, usually held by them.**

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Existing Tool Kit Item Name	Existing Tool Kit Item Image
Round Nose Plier		Cutter	
Wire Drawing plate		Solder Block	
Flat File		Manual files/ Half round file	
Jeweller's Saw with Blades			

### Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Artisan work bench with air suction/ dust collector mechanism		<ul style="list-style-type: none"> <li>- Enhances workspace cleanliness by efficiently removing dust and particles</li> <li>-Ensures healthier and more productive environment for artisans</li> </ul>
Magnetic Polisher		<ul style="list-style-type: none"> <li>- Offers efficient and precise polishing of metal components,</li> <li>-Enhances surface quality and appearance</li> </ul>
Pen Rhodium Set Up with Plating consumables		<ul style="list-style-type: none"> <li>- Offers efficient and precise electroplating</li> <li>-Enhances jewelry and metalwork with durable, lustrous rhodium coating for exceptional aesthetics and longevity</li> </ul>
Ear-piercing gun		<ul style="list-style-type: none"> <li>- Offers quick and precise ear piercing</li> <li>-Minimizes discomfort and reduces healing time for the wearer</li> </ul>

## Barber (Naai)

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Regular Cutting scissors		Scissors- Professional Barbering Cutting scissors, Thinning scissors		2,400	<ul style="list-style-type: none"> <li>- Provides precise and efficient hair cutting</li> <li>- Ensures clean and tailored results for a polished look</li> </ul>
Hair Cutting Comb		Comb Set		990	<ul style="list-style-type: none"> <li>- Provides precise and uniform results in hairstyling</li> </ul>
Cutting Sheet		Apron & Cutting Sheet & Colouring sheet, Dye Brush, Dye Bowl, Bag, Disposables, Linen, Section Clip, Spray Bottle		2,900	<ul style="list-style-type: none"> <li>- Apron, cutting sheet, and coloring sheet provide protection and cleanliness during dyeing processes</li> <li>- Inclusion of disposables, linen, section clip, and a bag ensure convenience and efficient organization</li> </ul>
Manual clipper		Electronic Clipper		600	<ul style="list-style-type: none"> <li>- Better styling of hair &amp; beard</li> <li>- Hair tattoos</li> </ul>
Comb		Vent Brush		1,500	<ul style="list-style-type: none"> <li>- Offers efficient and uniform airflow distribution</li> <li>- Reduces drying time and improves styling results</li> </ul>

Currently, no tools being used for styling.		Hair Straightener		3,500	<ul style="list-style-type: none"> <li>- Provides quick and effective styling</li> <li>- Transforms curly or wavy hair into sleek, smooth locks for a polished look</li> </ul>
Currently, no tools being used for drying		Hair Dryer		2,975	<ul style="list-style-type: none"> <li>- Provides quick and efficient drying of hair</li> <li>- Reduces moisture and allows for convenient styling</li> </ul>
<b>Total</b>				<b>14,865</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Existing Tool Kit Item Name	Existing Tool Kit Item Image
Shaving Razor		Cotton roll	
Massage Cream		Small Towel	
Dye Brush & Bowl		Ustara	
Shaving cream		After Shave	
Hair Oil		Shaving brush	
Hair Dye			

**Section C: Details of Equipment Proposed under Loan(s)**

<b>Equipment Proposed</b>	<b>Images of Equipment Proposed</b>	<b>Benefits of the Equipment Proposed</b>
Shampoo Station		<ul style="list-style-type: none"> <li>- Enhances salon efficiency by providing comfortable and effective hair washing</li> </ul>
Scalp Steamer		<ul style="list-style-type: none"> <li>- Provides relaxing and effective hair treatment</li> <li>- Promotes healthy scalp and hair growth</li> </ul>
Cutting Chair-Hydraulic		<ul style="list-style-type: none"> <li>- Offers adjustable and comfortable seating for precise and convenient hair cutting</li> </ul>
Hair Trolley		<ul style="list-style-type: none"> <li>- Enables organized and mobile storage of hair tools and supplies during styling sessions</li> </ul>

<p>Work Station with Mirror</p>		<ul style="list-style-type: none"> <li>- Provides a dedicated and well-lit space for hairstylists to work efficiently and create stunning looks</li> </ul>
<p>Cutting Sheet</p>		<ul style="list-style-type: none"> <li>- Safeguards clothing and maintains cleanliness during hair cutting and styling processes</li> </ul>
<p>Linen</p>		<ul style="list-style-type: none"> <li>- Ensures hygiene and comfort by providing clean and fresh linen for each customer</li> </ul>
<p>Disposable Items</p>		<ul style="list-style-type: none"> <li>- Offers single-use items like capes, gloves, and other hygiene essentials</li> <li>- Maintains high standard of cleanliness and customer safety</li> </ul>

Carpenter (Suthar), including traditional furniture maker

Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Hand Saw (16 Inch)		Hand Cutter (Power Tool)		4,000	- Enables precise and controlled cutting for various woodworking projects
Cross peen Hammer		Drill Machine Set (Power Tool)		3,000	- Offers versatile drilling capabilities for creating holes in wood and other materials
Bag		Woodworking Tool Belt		3,000	- Provides easy access to tools - Enhances efficiency and organization during woodworking tasks
Jack Plane (14 Inch)		Trimmer/H and Router (Power Tool)		2,500	- Allows for detailed shaping and trimming of wood - Enhances craftsmanship

Regular Drill Machine		Drill Guide Set (For Furniture Fittings)		2,500	<ul style="list-style-type: none"> <li>- Facilitates accurate hole placement for furniture fittings</li> <li>- Ensures precise assembly</li> </ul>
<b>Total</b>				<b>15,000</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Existing Tool Kit Item Name	Existing Tool Kit Item Image
Try Square		Triangular File (4-inch size)	
Bevel Chisel (18mm, 25mm, and 30mm)		Screw driver (Reversible Philips and slotted head)	
Mortise Chisel (10mm)		Marking Gauge	
Sharpening Stone (Oil Stone)		Pincer	
Measurement Tape			

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Woodworking bench		<ul style="list-style-type: none"><li>- Provides a stable and dedicated workspace for precision crafting and assembling wood projects</li></ul>
Miter/ circular saw		<ul style="list-style-type: none"><li>- Enables accurate and efficient cutting of wood pieces at various angles</li><li>- Essential for creating precise joints and shapes</li></ul>
Electric Sander		<ul style="list-style-type: none"><li>- Saves time and effort by smoothing and refining wood surfaces quickly, resulting in a polished finish</li></ul>
Table saw		<ul style="list-style-type: none"><li>- Offers versatile and controlled cutting of larger wood sheets and boards, facilitates the creation of uniform pieces</li></ul>
Electric Planer		<ul style="list-style-type: none"><li>- Efficiently reduces the thickness of wood pieces</li><li>- Ensures consistent dimensions and smooth surfaces for projects</li></ul>

## Boat Maker

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Impact Drill Machine		Drill Machine Set (Power Tool)		3,500	- Offers versatile drilling options for various tasks
Wide Chisel		Chisel Set		3,500	- Enables precise wood shaping and carving with ease
Jack Plane		Electric Planner		3,000	- Provides efficient material removal for smooth surfaces
Jack Plane		Trimmer/Hand Router (Power Tool)		2,500	- Perfect for precise edge trimming and decorative cuts

Bag		Woodworking Tool Belt		2,500	- Conveniently holds essential tools for easy access during work
Total				15,000	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

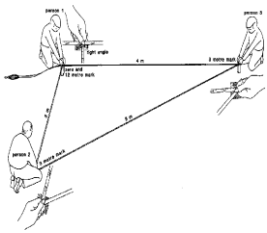

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Existing Tool Kit Item Name	Existing Tool Kit Item Image
Plumb Bob		Electric hand cutter	
Tape Measure		Hand Saw	
Square		Axe	
Hammer			

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Table Saw		<ul style="list-style-type: none"> <li>- Provides precise and efficient woodcutting with adjustable depth and angle, ideal for woodworking projects</li> </ul>
Miter Saw		<ul style="list-style-type: none"> <li>- Offers accurate crosscuts and angled cuts for various materials</li> <li>- Enhances precision in carpentry and framing tasks</li> </ul>
Portable Band Saw		<ul style="list-style-type: none"> <li>- Enables effortless cutting of intricate shapes and curves in materials</li> <li>- Enhances versatility in metalworking and carpentry</li> </ul>
Portable Thicknesser/ Planner		<ul style="list-style-type: none"> <li>- Helps in achieving consistent thickness across materials</li> <li>- Improves surface smoothness and dimension accuracy in woodworking projects</li> </ul>

## Masons (Mistri)

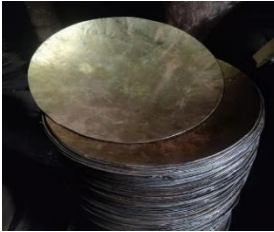

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Standard Trowel		Set of Trowel with different sizes for Mortar mixing, Block work and Plaster		419	- Offers versatility for various tasks like mortar mixing, block work, and plaster application
Measurement Tape/ Line Dori/ Level tube		Laser beam measurement		4,133	- Ensures accurate measurements aiding precise alignment and leveling
Setting Right angle manually		Setting Out Square or Mason Square		799	- Provides a reliable tool to ensure right angles during construction
Plumb Bob		Quality Plumb Bob		546	- Helps achieve vertical alignment and straightness in construction projects

Spirit Level 300 mm		Spirit Level 1200 mm		1,836	- Facilitates achieving level surfaces and accurate slopes
Spades (Phavadas)		Quality Spades (Phavadas)		979	- Essential for digging and moving materials effectively on the construction site
Spades (Phavadas)		Quality Spades (Phavadas)		799	- Essential for digging and moving materials effectively on the construction site
Standard Hammer		Brick Hammer		1,211	- Enables efficient brick cutting and shaping during masonry work
Line Dori		Aluminum Straight Edge		2,000	- Ensures straightness in surface leveling and alignment tasks
<b>Total</b>				<b>12,722</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image
Mortar Pan/ Ghamela	
Bricklaying Trowel	
Chisel	

### Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Concrete Mixer 200 liters		<ul style="list-style-type: none"><li>- Efficiently mixes construction materials for consistent and high-quality concrete production</li></ul>
Wheel Barrow		<ul style="list-style-type: none"><li>- Facilitates easy transport of heavy materials on construction sites</li><li>- Enhances efficiency and reduces physical strain</li></ul>
Core cutting Machine		<ul style="list-style-type: none"><li>- Precisely cuts through hard materials for construction and allows for accurate openings and installations</li></ul>

Jack Hammer

- Offers powerful demolition capabilities, making tasks like breaking concrete and removing obstacles more efficient

## Darji

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Domestic Sewing Machine		Industrial Sewing Machine		15,000	<ul style="list-style-type: none"> <li>- Offers enhanced speed and durability</li> <li>- Useful for heavy-duty stitching</li> <li>- Decreases manual efforts and saves time</li> </ul>
<b>Total</b>				<b>15,000</b>	

### Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Set up a Boutique: Sewing Machine, Tables, and Irons		<ul style="list-style-type: none"> <li>- Provides an opportunity to showcase creativity and recent trends while offering personalized clothing and accessories to customers</li> <li>- Ensures efficient production and enhanced quality of products</li> <li>- Increases production capacity</li> </ul>

## Dhobi

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs)	Benefits of the Proposed Tool Kit Items
Soap		Laundry Detergent		5,510	- Provides effective cleaning and stain removal for fresher clothes
Coal Iron Press (Non-electric)		Electric Iron Press		3,880	- Helps increase productivity & saves time - Ensures wrinkle-free and well-pressed clothes
Currently no gloves are being used		Gloves		189	- Helps to protect hands while handling detergents and chemicals
Currently no boots are being used		Washerwoman boots		439	- Protective footwear for laundry workers
<b>Total</b>				<b>10,018</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Existing Tool Kit Item Name	Existing Tool Kit Item Image
Bat / Thaapi		White Vinegar Distilled	
Baking Soda		Brush	
All Fabric Bleach		Hangers	
Fabric Disinfectant		Pipes and Connectors	
Water storage			

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Industrial Automatic Washing Machine		<ul style="list-style-type: none"><li>- Efficiently handles large-scale laundry needs, reduces manual labor and time</li><li>- Ensures thorough cleaning and improves overall productivity</li></ul>
Electrical appliances related to cleaning		<ul style="list-style-type: none"><li>- Enhances efficiency and maintains hygiene standards</li><li>- Reduces manual effort</li></ul>

Cobbler (Charmakar)/ Shoesmiths/ Footwear Artisans

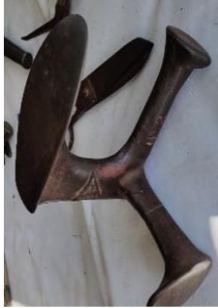

Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Awl		Semi Stitching Tool with auto feed		1,000	- Thread is auto feedable into stitching and saves time
Traditional Cutting Board		Cutting Mate		500	- Scale integrated cutting mate helps in perfect measurement and saves time
Plastic hand mat		Hot Air Blower		1,000	- Useful in drying adhesive faster
Polishing Brush		Electric Polishing Kit		2,000	- Better polish finish - Increases productivity and saves time and energy

Hand Riveting and Punching tool (Separate)		Manual Operated Punching and Riveting tool with dies		2,500	<ul style="list-style-type: none"> <li>- Helps to punch and rivet with less effort</li> <li>- Helps to save time and energy</li> </ul>
Materials & Accessories storing		Organizer		1,000	<ul style="list-style-type: none"> <li>- Helps to organize all the materials like eyelets, rivets, buttons and accessories in an organized way</li> </ul>
Emery Wooden tool		Bench Buffing/Grinding Machine (200 W) with buffing & grinding wheels		4,000	<ul style="list-style-type: none"> <li>- Motorized device provides fast processes, save time and energy</li> </ul>
Candle		Mock Iron		1,500	<ul style="list-style-type: none"> <li>- Helps to remove the wrinkles of shoes and other goods</li> </ul>
<b>Total</b>				<b>13,500</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image
Edge Polishing & Burnishing Tool	
Anvil	

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Stitching Machine (Post Bed – Single Needle) Multipurpose		<ul style="list-style-type: none"><li>- Enables efficient and versatile stitching of various fabric types and projects</li></ul>
Heat Pressing Machine		<ul style="list-style-type: none"><li>- Facilitates precise heat application for seamless fabric transfer and customization</li></ul>
Embossing/ Stamping Machine		<ul style="list-style-type: none"><li>- Enhances products with intricate designs and patterns through effective embossing and stamping</li></ul>
Rotary Cutting Machine		<ul style="list-style-type: none"><li>- Offers precise and rapid fabric cutting.</li><li>- Enhances accuracy in crafting projects</li></ul>

Air Compressor

- Provides a reliable source of compressed air for powering pneumatic tools and processes

## Armourer

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Measuring tape		Vernier caliper (digital)		1,500	- Provides accurate measurements without any hassle
File		Angle grinder		2,000	- Multipurpose functionality, better finishing and time saving
Hack saw		Hand lever shearing		3,000	- Better accuracy - Easy to use - Time saving
Rivetting using Hammer		Hydraulic rivet gun		4,000	- Better finishing and accuracy - Decreases manual effort and saves time
Mini Oxy Gas Cutting		Oxy gas cutting		3,000	- Better accuracy and time saving - Useful for brazing
<b>Total</b>				<b>13,500</b>	

Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Laser Cutting Machine		<ul style="list-style-type: none"><li>- Offers precise and intricate cuts on various materials</li><li>- Enhances design flexibility and reduces production time</li></ul>

## Blacksmith

### Section A: Details of Existing & Proposed Tool Kit Item

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price of Proposed Tool Kit Item (Rs.)	Benefits of the Proposed Tool Kit Item
Traditional furnace		Gas furnace		3,000	<ul style="list-style-type: none"> <li>- Less health hazards</li> <li>- Less usage of coal therefore less pollution</li> </ul>
Hand fan		Blower		5,000	<ul style="list-style-type: none"> <li>- Attains high temperature using blower</li> </ul>
Hack saw		Angle grinder		2,000	<ul style="list-style-type: none"> <li>- Multipurpose and provides better finishing</li> </ul>
<b>Total</b>				<b>10,000</b>	

Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Hydraulic Forging Machine		<ul style="list-style-type: none"><li>- Offers precise control and high force output</li><li>- Enhances efficiency and quality in metal forging processes</li></ul>

## Hammer and Tool Kit Maker

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Measuring tape		Vernier caliper (digital)		1,500	- Provides accurate measurements without any hassle
Hammer		Hydraulic press		10,000	- Decreases manual efforts, therefore more accurate results
Hack saw		Angle grinder		2,000	- Multipurpose and provides better finishing
Hammer and punch		Drilling machine		2,000	- Multipurpose, and more efficient - Time saving and provides more accurate results
<b>Total</b>				<b>15,500</b>	

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image
File	

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Hydraulic Forging Machine		<ul style="list-style-type: none"> <li>- Offers precise control and high force output</li> <li>- Enhances efficiency and quality in metal forging processes</li> </ul>

## Locksmith

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Lock pick set		Electric lock pick gun		5,000	- Efficient and saves time
Hammer and Chisel		Drilling machine		8,000	- Saves time and better results
Traditional Key Cutting Tool Set		Key cutting machine		2,000	- Saves time and therefore more accurate results
<b>Total</b>				<b>15,000</b>	

Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Laser/Plasma Metal Cutting Machine		<ul style="list-style-type: none"><li>- Precise and efficient metal cutting</li><li>- Reduces material wastage</li><li>- Enables intricate designs with high accuracy</li></ul>
Computerized Key Cutting Machine		<ul style="list-style-type: none"><li>- Provides automated and precise key cutting</li><li>- Enhances speed and accuracy while minimizing errors in duplicating keys</li></ul>

## Potter (Kumhar)

### Section A: Details of Existing & Proposed Tool Kit Items

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Manual Traditional wheel		Electric wheel		15,000	<ul style="list-style-type: none"> <li>- Reduces manual effort and increases efficiency in tasks like construction and material transportation</li> <li>- Improves finishing of the end product</li> </ul>
<b>Total</b>				<b>15,000</b>	

### Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Gas Kiln		<ul style="list-style-type: none"> <li>- Offers efficient and consistent high-temperature firing, resulting in improved ceramic quality, glazing</li> <li>- Reduces firing time</li> </ul>

Sculptor (Moortikar)/ stone carver/ stone breakers

**Section A: Details of Existing & Proposed Tool Kit Items**

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Sandpaper		Stone Polisher		15,000	<ul style="list-style-type: none"> <li>- Enhances the aesthetic appeal of stone surfaces.</li> <li>- Creates a smooth and lustrous finish for countertops, floors, and sculptures</li> </ul>
<b>Total</b>				<b>15,000</b>	

**Section B: Details of Equipment Proposed under Loan(s)**

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Electric heavy polisher machine		<ul style="list-style-type: none"> <li>- Offers efficient and effortless polishing for large-scale projects</li> <li>- Ensures a high-quality and uniform shine on various surfaces</li> </ul>

### Doll & Toy Maker (Traditional)

#### Section A: Details of Existing & Proposed Tool Kit Items

Job Role Name	Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Wooden Toy Maker-Artisan	Manual Papering		Advance Papering Machine		4,000	<ul style="list-style-type: none"> <li>- Improved efficiency by automating and optimizing the paper preparation process</li> <li>- Increases production and reduces manual labor</li> </ul>
Wooden Toy Maker-Artisan	Chisels		Circular Saw		9,500	<ul style="list-style-type: none"> <li>- Offers precise and efficient cutting in various materials due to its rotational motion</li> <li>- Enables accurate and quick fabrication</li> </ul>
<b>Total</b>					<b>13,500</b>

Traditional Soft Toy Maker	Normal Sewing Machine		Industrial Sewing Machine		15,000	<ul style="list-style-type: none"> <li>- Offers enhanced speed and durability.</li> <li>- Useful for heavy-duty stitching</li> <li>- Decreases manual efforts and saves time</li> </ul>
<b>Total</b>					<b>15,000</b>	

Job Role Name	Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Leather Toy Maker - Artisan	Stitching Tools		Higher Speed Electric Stitching		15,000	- Increases production efficiency and reduces operational time
<b>Total</b>					<b>15,000</b>	
Job Role Name	Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Glass Toy Maker - Artisan	Gloves		Heat/Fire Resistant Gloves		12,000	- Provides essential protection against high temperatures and flames - Ensures safety for workers in hazardous environments
<b>Total</b>					<b>12,000</b>	

\*5 different toolkits identified as per Doll & Toy categories – Wooden Toy Maker, Puppet Maker, Soft Toy Maker, Leather Toy Maker and Glass Toy Maker.

Section B: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Wooden Electric Turning Machine		<ul style="list-style-type: none"><li>- Efficiently crafts intricate wooden designs with precision</li><li>- Enhances woodworking productivity and quality</li></ul>
Glass melting furnace		<ul style="list-style-type: none"><li>- Enables controlled and efficient melting of glass materials</li><li>- Vital for producing high-quality glass products in various industries</li></ul>

Basket Maker/ Basket Weaver: Mat maker/ Coir Weaver/ Broom maker

Section A: Details of Existing & Proposed Tool Kit Items

Job Role Name	Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Bamboo Work Artisan	Hand cutter		Jet Saw Machine		9,000	- Offers efficient and precise cutting for industrial and woodworking applications
<b>Total</b>					<b>9,000</b>	
Job Role Name	Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Coir Fibre Artisan	Manual Spinning		Spinning Wheel		15,000	- Enables efficient yarn production by converting raw fibers into thread or yarn through a continuous spinning process
<b>Total</b>					<b>15,000</b>	

\*2 toolkits proposed – one for Bamboo Work and one for Coir Fibre.

Section B: The following items may be provided to Vishwakarmas, usually held by them.

Existing Tool Kit Item Name	Existing Tool Kit Item Image
Hand Saw	
Naga Dao	

Section C: Details of Equipment Proposed under Loan(s)

Equipment Proposed	Images of Equipment Proposed	Benefits of the Equipment Proposed
Electric bamboo cutter		<ul style="list-style-type: none"> <li>- Enhances efficiency and precision in bamboo cutting</li> <li>- Reduces labor-intensive efforts</li> </ul>
Bamboo Thin Sliver Machine		<ul style="list-style-type: none"> <li>- Facilitates creation of fine bamboo slivers</li> <li>- Enables intricate designs and applications</li> </ul>
MS Coir Rope Making Machine		<ul style="list-style-type: none"> <li>- Streamlines coir rope production process</li> <li>- Ensures consistent quality and higher output for coir-based industries</li> </ul>

Malakar

Section A: Details of Existing & Proposed Tool Kit Items (Both Same)

Existing Tool Kit Item Name	Existing Tool Kit Item Image	Proposed Tool Kit Item Name	Proposed Tool Kit Item Image	Tentative Price (Rs.)	Benefits of the Proposed Tool Kit Items
Jewel beads (ceramic, glass, pearl, metal, bone, stone, horn, etc.)		Jewel beads (ceramic, glass, pearl, metal, bone, stone, horn, etc.)		4,000	- Enables diverse and creative designs
Bead reamer		Bead reamer		1,000	- Useful tool for enlarging or smoothing bead holes - Ensures better fitting and alignment during crafting
Needles		Needles		4,000	- Essential tools for threading beads onto strings or wires with precision and ease
<b>Total</b>				<b>9,000</b>	

\*No items proposed under Loan(s).

**PM VISHWAKARMA TRADEWISE TOOLKIT OVERVIEW**

<b>S. No.</b>	<b>Trade</b>	<b>Sector</b>	<b>No. of Items in Proposed Toolkit</b>	<b>Equipment Proposed under Loan(s)</b>	<b>Benefits of Proposed Toolkit</b>
1	Goldsmith (Sunar)	Gems & Jewellery	9	1. Artisan work bench with air suction/ dust collector mechanism 2. Magnetic Polisher 3. Pen Rhodium Set Up with plating consumables 4. Ear-piercing gun	1. Reduces risk of human errors. 2. Improves workmanship quality of surface finish with consistency. 3. Lesser gold loss. 4. Reduces breathing related health hazard. 5. Helps in making new shape & forms for different designs.
2	Barber (Naai)	Beauty & Wellness	6	1. Shampoo Station 2. Scalp Steamer 3. Cutting Chair-Hydraulic 4. Hair Trolley 5. Work Station with Mirror 6. Cutting Sheet 7. Linen 8. Disposable Items	1. The toolkit will help the beneficiary upsell and increase the ticket size of the bill. The beneficiary may offer varied services beyond the regular hair cut & head massage like hair & beard styling, hair tattoos, facial etc.
3	Carpenter (Suthar), including traditional furniture maker	Furniture & Fittings Installation	5	1. Woodworking bench 2. Miter/ circular saw 3. Electric Sander 4. Table saw 5. Electric Planer	1. Beneficiaries to gain the ability to craft products in their workshops and conduct on-site assembly, significantly reducing hassles for clients. This enhancement in workflow to directly translates to increased productivity and improved finishing of the end product.
4	Boat Maker	Furniture & Fittings Installation	5	1. Table Saw 2. Miter Saw 3. Portable Band Saw 4. Portable Thicknesser/ Planner	1. Increased productivity and improved finishing of the end product. 2. Reduced manual efforts required for tasks like carving and planning. 3. Better precision & accuracy of results lead to higher-quality finished boats.

5	Masons (Mistri)	Construction	9	1. Concrete Mixer 200 liters 2. Wheel Barrow 3. Core cutting Machine 4. Jack Hammer	1. Proposed toolkit to help increase productivity, efficiency and save time to make the end product. 2. Better accuracy of results. 3. Better finishing of products.
6	Darji	Apparel	1	Set up a Boutique	1. Increased productivity, improved finishing of the end product and more production.
7	Dhobi	Tourism and Hospitality	4	1. Industrial Automatic Washing Machine. 2. Electrical appliances related to cleaning.	1. As compared to soaps, detergents will be more user friendly, healthier and give better cleaning results. 2. Electric iron will be much lighter as compared to a coal iron press & diminish any health hazards related to burning of coal for the dhobi. 3. Fabric disinfectants will help not only to clean the clothes better but also protect the dhobi against germs as most clothes come to the dhobi from the hospital.
8	Cobbler (Charmakar)/Shoemiths/Footwear Artisans	Leather	8	1. Stitching Machine (Post Bed – Single Needle) Multipurpose 2. Heat Pressing Machine 3. Embossing/Stamping Machine 4. Rotary Cutting Machine 5. Air Compressor	1. Proposed toolkit to help increase productivity, save time and improve finishing of the end product. 2. Better precision & accuracy of results. 3. Reduced manual efforts required for shoe making tasks.
9	Armourer	Capital Goods	5	Laser Cutting Machine	1. Proposed toolkit to help save time by 50% as compared to the existing toolkit. 2. Increased productivity and improved finishing of the end product. 3. Better accuracy of results.

10	Blacksmith	Capital Goods	3	Hydraulic Forging Machine	1. Proposed toolkit to help save time by 50% as compared to the existing toolkit. 2. Increased productivity and improved finishing of the end product. 3. Better accuracy of results.
11	Hammer and Tool Kit Maker	Capital Goods	4	Hydraulic Forging Machine	1. Proposed toolkit to help save time by 50% as compared to the existing toolkit. 2. Increased productivity and improved finishing of the end product. 3. Better accuracy of results.
12	Locksmith	Capital Goods	3	1. Laser/Plasma Metal Cutting Machine 2. Computerized Key Cutting Machine	1. Proposed toolkit to help save time by 50% as compared to the existing toolkit. 2. Increased productivity and improved finishing of the end product. 3. Better accuracy of results.
13	Potter	Handicrafts and Carpet	1	Gas Kiln	1. Electric wheel to provide better shape to ceramic and clay products. 2. Reduced time and increase in production capacity.
14	Sculptor (Moortikar)/ stone carver/ stone breakers	Handicrafts and Carpet	1	Electric heavy polisher machine	1. Increased productivity and improved finishing of the end product.
15	Doll & Toy Maker (Traditional)	Handicrafts and Carpet	5	1. Wooden Electric Turning Machine 2. Glass melting furnace	1. Proposed toolkit to help increase productivity, save time and improve finishing of the end product.
16	Basket Maker/ Basket Weaver: Mat maker/ Coir Weaver/ Broom maker	Handicrafts and Carpet	2	1. Electric bamboo cutter 2. Bamboo Thin Sliver Machine 3. MS Coir Rope Making Machine	1. Proposed toolkit to help increase productivity and improve finishing of the end product & help make different shapes.

17	Malakar	Handicrafts and Carpet	3	No items proposed	<p>1. Proposed toolkit to help make the process efficient and precise, even with smaller beads.</p> <p>2. Increased productivity and improved finishing of the end product.</p>
