

Good day,

Let me introduce you to Jesaka Sourcing Agents, a specialist sourcing and Tender Agency. We provide **professional procurement services** helping governments procure goods and services from suppliers around the world. We work with our clients to identify and deliver high quality goods and services to the government. Our mandate is to identify international companies for supplies, tenders, brokerage, contracts etc. for institutions, governments and companies in Eastern and Central Africa. Most of the times, we are paid by the line ministry and sometimes we work on a split commission basis hereto.

We would like to establish a working relationship with you and discuss how we can assist in procuring the following either through direct procurement or through tender bidding:-

1. Desktop computers,Laptops,Tablets,Colour Printers,Heavy Duty Photo Copying Machines and UPS to be given to Public Schools across the country.MOES/196/SUPLS/2024-2025. (Funds allocated 35million Dollars)
