Product Description

ABOUT THE BRAND

Mask Has 3 Layers Outer, Middle and Inner || Outer Layer is Water Resistant Layer Which Helps to Block Outside Droplets || Middle Layer is the Filtration Layer Which Block Germs, Bacteria, Pollution, Dust, etc || Inner Layer is Skin Friendly Layer Which Observes Inside Moisture Mask Has Inside NOSE PIN || An Ultra Stretchable Elastic So Mask Can be Used For a Long Time Without Hurting Your Ears Which Gives More Comfortable. Mask Can be Used For Outdoor Walk, Travel & Commute, Biking, Cycling Police, Traffic, Security & Delivery Personnel, School, etc

- **MAX PROTECTION:** Our high-quality filtering face masks ensure a physical barrier to protection. With the new 3-ply design, It can help block pollution so you can breathe easily and safely in any environment.
- **COZY FIT:** These disposable masks are designed to be lightweight and breathable. With the feature of unfolding and expanding, the face masks will ensure full coverage of your nose and mouth, while the soft elastic ear loops will not cause discomfort or irritation.
- **GENTLE TO YOUR SKIN:** Unlike other protection face masks, our nose and mouth masks are soft and lightweight. The face masks are gentle on the skin and feel comfortable and easy to put on and take off. Our range of quality three-ply masks is made of 2 outer layers of Non-woven fabric and one melt-blown fabric which helps filter dust, bacteria, pollen & other fine particles effectively as well as provide a waterproof barrier. They are made with extra soft & elasticated ear loops and a flexible nose bridge on the mask to provide a comfortable and secure fit.
