

AMUTHAM PRODUCTS

Groundnut Kernel Purchase Requirement

Product	Groundnut / Peanut Kernels
Initial Quantity	500 kg
Purchase Type	Recurring / Regular Requirement
Delivery Location	Coimbatore, Tamil Nadu
End Use	Cold-pressed groundnut oil production
Price	Please quote your best price delivered to Coimbatore

Quality Requirements

- A-grade, clean food-grade groundnut kernels suitable for oil extraction.
- Properly dried with low moisture and good storage condition.
- Free from mould, fungal growth, rancid smell and insect infestation.
- Minimal broken, damaged, discoloured and shrivelled kernels.
- Minimal foreign matter, stones, dirt and other impurities.
- Good oil recovery is important; supplier should mention expected oil yield if available.
- Preferably recent-harvest material with batch/lot details.

Supplier Requirements

- Please provide company/business name, GSTIN and full business address.
- Please quote price per kg and clearly state whether the price includes GST, loading and transportation to Coimbatore.
- Please mention minimum order quantity, available quantity and delivery time.
- A representative sample of 5–10 kg is preferred for quality and oil-yield testing before the bulk order.
- Bulk order will be confirmed only after sample approval and verification of the supplier.

Quotation Request

Suppliers are requested to submit their best competitive quotation for 500 kg and indicate whether they can supply the same or similar quality on a recurring basis. Please provide complete landed cost to Coimbatore so quotations can be compared fairly.

Important: This requirement is for procurement enquiry and quotation comparison. No advance payment or purchase commitment is implied by submitting a quotation.
